IS LIVEY THOUGH A CENTENARIAN.

Mrs. Eunice Hoyt of Manchester celebrated her Birthday Yesterday.

Manchester, September 22.—Mrs. Eunice Hoyt of Manchester Centre celebrated the 100th anniversary of her birth yesterday. She is the oldest person in town, and the second oldest in Bennington county, and probably second in the state. She enjoys good health and is remarkably well preserved for one who has reached the century mark. She walks out every pleasant day and attends to many household duties in the family of her son, Thomas J. Hoyt, with whom she resides.

Mrs. Hoyt was born in Peru. She was the daughter of Cyrus Staples and Orpha (Whitney) Staples, and was the oldest of thirteen children. Only two of these besides Mrs. Hoyt are now living. They are Samuel Staples, who is over 90 years of age, and Mrs. Tryphena Thompson, who is also over 90. Her parents were the first settlers of Peru and helped to organize the first church in that town.

At the age of 18 Eunice came to Manchester to live in the family of Mr. Chamberlain, the second pastor of the Baptist church in this town and has resided in this town ever since. She married Norman A. Hoyt. Six children were born to them, but only two are now living, Thomas J. Hoyt of Manchester Centre and Mrs. Emerson Mattabrook of Bennington.

Old Man Was Arrested in Burlington for Intoxication

Burlington, Sept. 22.—Old, lame and worn out as the result of too free use of liquor, Thomas Ready of Stowe was in city court yesterday for the second time this week on a charge of intoxication and for the third time under the license law. He is now a habitual drunkard. Last Monday morning Ready was arrested for being drunk. He was tried and fined \$5 and costs, which he succeeded in paying that afternoon by pawning his watch. He said he was going home but his resolution was not carried out and as a result he was again arrested Tuesday night. He was fined \$15 and costs of \$9.75 yesterday, the alternate sentence being 108 days in the House of Correction.

WATER SUPPLY CONDEMNED.

Typhoid Bacilli Discovered at Lebanon, N. H., by Board of Health.

White River Junction, Sept. 21.—The village water supply of Lebanon, N. H., the largest manufacturing village in the vicinity of White River Junction, has been condemned for drinking purposes by the state board of health, unless first boiled. AUTO RUN WAS GIVEN UP.

Wintry Weather Yesterday Afternoon Too Much For Enthusiasts.

Burlington, Sept. 22.—An automobile club was formed in this city yesterday afternoon at the Van Ness House with a membership of 25. Officers for the ensuing year were elected as follows: President, Dr. D. C. Hawley; vice-president, O. S. Presbury; secretary, E. A. Brodie; treasurer, G. A. Churchill. Owing to the cold weather the run of automobilists from different parts of the state to Burlington did not materialize yesterday. Only a few stray cars came to the city and the banquet which had been planned at the Van Ness House was abandoned. In the evening those who were here met with the local automobilists and matters of interest, including good roads, were discussed.

Song Recital at Goddard Seminary.

Many of the lovers of good music in the city will remember the song recital given here by Mr. Frederick W. Bancroft a few years ago. Mr. Bancroft has just returned from Italy and is spending a short vacation at his old home in Montpelier. Although it is vacation time, he has consented to give one recital and that will be at Goddard seminary next Monday evening, September 26, at eight o'clock. The recital will consist of English, Irish, Scottish, Italian and French songs; and selections from the opera "Pagliacci."

Miss Laura Rugg, organist at the Christ church in Montpelier, will be the accompanist. The evening promises to be the musical event of the season.

OUT OF THE ORDINARY.

A Japanese must be 25 and pay \$7.50 a year as direct taxation before he can vote for members of the Japanese Diet. The tax shuts out a large part of those who would vote in another country.

A young woman recently wrote to the Hunter (Kan.) Enterprise and asked the editor what sort of a husband she should look for. The editor told her to leave them all alone and try for a single man.

Dr. Wood's Norway Pine Syrup seems especially adapted to the needs of the children. Pleasant to take; soothing in its influence. It is the remedy of all remedies for every form of throat and lung disease.

Ten thousand demons gnawing away at one's vitals couldn't be much worse than the tortures of itching piles. Yet there's a cure. Doan's Ointment never fails.

Bardock Blood Bitters gives a man a clear head, an active brain, a strong vigorous body—makes him fit for the battle of life.

Croup instantly relieved. Dr. Thomas' Electric Oil. Perfectly safe. Never fails. At any drug store.
